**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS**

Commissioner of Patents  
Washington, D.C. 20231

Dear Sir:

This Response to Notice to File Corrected Application Papers is being submitted in response to the Notice to File Corrected Application Papers having a mailing date of August 30, 2001 (hereinafter "the Notice"). A copy of the Notice is enclosed as required.

The Notice requires substitute drawings in compliance with 37 CFR 1.84 and further indicates that Figure 7 O, described in the specification was omitted from the application. Accordingly, Applicant submits 38 pages of substitute drawings and a First Preliminary Amendment correcting the reference to Figures 7A – 7R to more correctly indicate Figures 7A - 7N and 7P - 7R. Applicant's attorney made a conscious decision to omit the reference "7O" to avoid any confusion with the number "70" in the application.

REMARKS

Applicant submits that the application is now in condition for allowance and respectfully requests that the application be passed to allowance. In the event the Examiner has questions or comments and a telephone conversation would expedite resolution of same, Applicant invites the Examiner to contact the undersigned attorney at (303) 629-3400.

Respectfully submitted,

Dated: Oct. 23, 2001
